

Why Me?

Abdelrahman Eissa

Some of my projects

Previous Experience

Describe your symptoms or medical concerns, and I'll help guide you through a systematic diagnostic process with questions and test recommendations.

يرجى وصف الأعراض أو المشكلات الطبية
يمكننا إرشادك خلال تقييم شامل بدءًا من الأعراض أو المشكلات وحتى
التشخيص النهائي، بما في ذلك التحاليل المخبرية، صور الأشعة،
والتكلفة التقديرية الإجمالية

Describe your symptoms, ask a question, or upload an image...

Currently Working On

I am currently working as a research assistant in York University.

My research paper is on Open Modulation Classification based on the OpenICL paper.

Thank You
